Payment Services Regulation : Advocate for a greater consideration of the liability of the whole payment chain

Stand vom 10.10.2024 15:07:06 bis 08.04.2025 12:38:57

Angegeben von:

Fédération bancaire française (R005456) am 10.10.2024

Beschreibung:

Avoid the implementation of automatic reimbursement of Payment Services Providers in the event of a fraudulent transaction. Clarify the definition of the concept of consent to uphold the principle of irrevocability of payment. Advocate for a greater responsibility of telecommunications operators.
