Financial Statements
for the year ended December 31, 2023

together with Accountant's Report

This English translation is presented for convenience purposes only. Solely legally binding is the version in German language.

Accountant's Report

I have compiled the financial statements composed of statements of assets and equity and statements of revenue and expenses for the year ended December 31, 2023 of International Federation for Home Economics e.V., Bonn, on the basis of the provided accounts and documentation and given information. An evaluation of regularity of the documents and information of the federation was not subject to my assignment; though I can state that bookkeeping and filing give no reason for objection.

Troisdorf, February 23, 2024
