European Cybersecurity Certification Scheme for Cloud Services

Stand vom 29.06.2024 14:16:51 bis 28.03.2025 13:07:32

Angegeben von:

BSA Business Software Alliance, Inc. d/b/a BSA | The Software Alliance (R002338) am 29.06.2024

Beschreibung:

The sovereignty requirements contained in several drafts of the EUCS have raised concerns about possible restrictions on cloud providers, offering less choice in Europe.
