Savings and Investments Union : Advocate for an ambitious SIU initiative, including a revival of a strong securitization market

Stand vom 25.06.2025 15:31:37 bis 05.09.2025 12:00:58

Angegeben von:

Fédération bancaire française (R005456) am 08.04.2025

Beschreibung:

Convince that our ability to grow European financial savings is the key to growing European markets. If a European label were to exist, request that the banking industry to get involved in the process of defining the label's criteria.
