Retail Investment Strategy : Preserve the universal access of European savers to the advisory service

Stand vom 26.06.2024 16:20:10 bis 11.09.2024 15:18:33

Angegeben von:

Fédération bancaire française (R005456) am 26.06.2024

Beschreibung:

Preserve the economic system of distribution of financial products based on inducements, in force in almost all countries of the European Union and yet called into question by this draft text, in order to preserve, notably the universal access of European savers to the service of advice
