---

## Zuwendungen oder Zuschüsse der öffentlichen Hand

---

Geschäftsjahr: 01/22 bis 12/22

### Zuwendungen oder Zuschüsse über 20.000 Euro (3):

#### 1. European Commission

**Betrag:** 1.420.001 bis 1.430.000 Euro

Brussels, Belgium

The European Commission is a granting partner of CAN Europe. We work together on a range of issues related to climate and energy topics. For the grants provided, we are able to run our Secretariat (around 50 people in Belgium and Europe), and work towards our mission to be Europe's leading NGO coalition fighting dangerous climate change. With over 185 member organisations active in 38 European countries, representing over 1.500 NGOs and more than 47million citizens, CAN Europe promotes sustainable climate, energy and development policies throughout Europe. The vision of CAN is a world actively striving towards and achieving the protection of the global climate in a manner that promotes equity and social justice between peoples, sustainable development of all communities, and protection of the global environment. The grants enable concretely meetings / meeting support, conferences, activities, staff pay, etc.

#### 2. German government

**Betrag:** 130.001 bis 140.000 Euro

Deutschland

The german Government is a granting partner of CAN Europe. We work together on a range of issues related to climate and energy topics. For the grants provided, we are able to run our

Secretariat (around 50 people in Belgium and Europe), and work towards our mission to be Europe's leading NGO coalition fighting dangerous climate change. With over 185 member organisations active in 38 European countries, representing over 1.500 NGOs and more than 47million citizens, CAN Europe promotes sustainable climate, energy and development policies throughout Europe. The vision of CAN is a world actively striving towards and achieving the protection of the global climate in a manner that promotes equity and social justice between peoples, sustainable development of all communities, and protection of the global environment. The grants enable concretely meetings / meeting support, conferences, activities, staff pay, etc.
