# German implementation law of the EU Urban Wastewater Treatment Directive

Aktuell seit 30.04.2026 18:23:49

### Angegeben von:

Xylem Europe GmbH (R007975) am 30.04.2026

### Beschreibung:

We would like to discuss with the German government the implementation of the EU Urban Wastewater Treatment Directive. We would like to understand what will be the main areas of focus for Germany and how we can provide expertise as one of the largest water technology company worldwide.
