Suggestions for refocusing the FASTER proposal on administrative simplification

Stand vom 28.06.2024 11:22:18 bis 30.09.2024 15:22:55

Angegeben von:
Association for Financial Markets in Europe (AFME) (R001235) am 28.06.2024

Beschreibung:
Slow and complex withholding tax reclaim processes act as a barrier to efficient investment, and a simple, fast, and safe system will encourage intra-union and foreign investment. It is important to note in this context that many EU jurisdictions are presently slow to pay withholding tax reclaims and there is a significant opportunity for improvement in this area – particularly compared to certain other jurisdictions within or outside the EU offering relief at source systems.
